

The Carlton B

5 Bedroom + Study, 2 Living, 3
Bathroom (368m² - 40sqs)*

This split level Contemporary Beach house designed home features five bedrooms plus large study, two living areas and large deck areas.

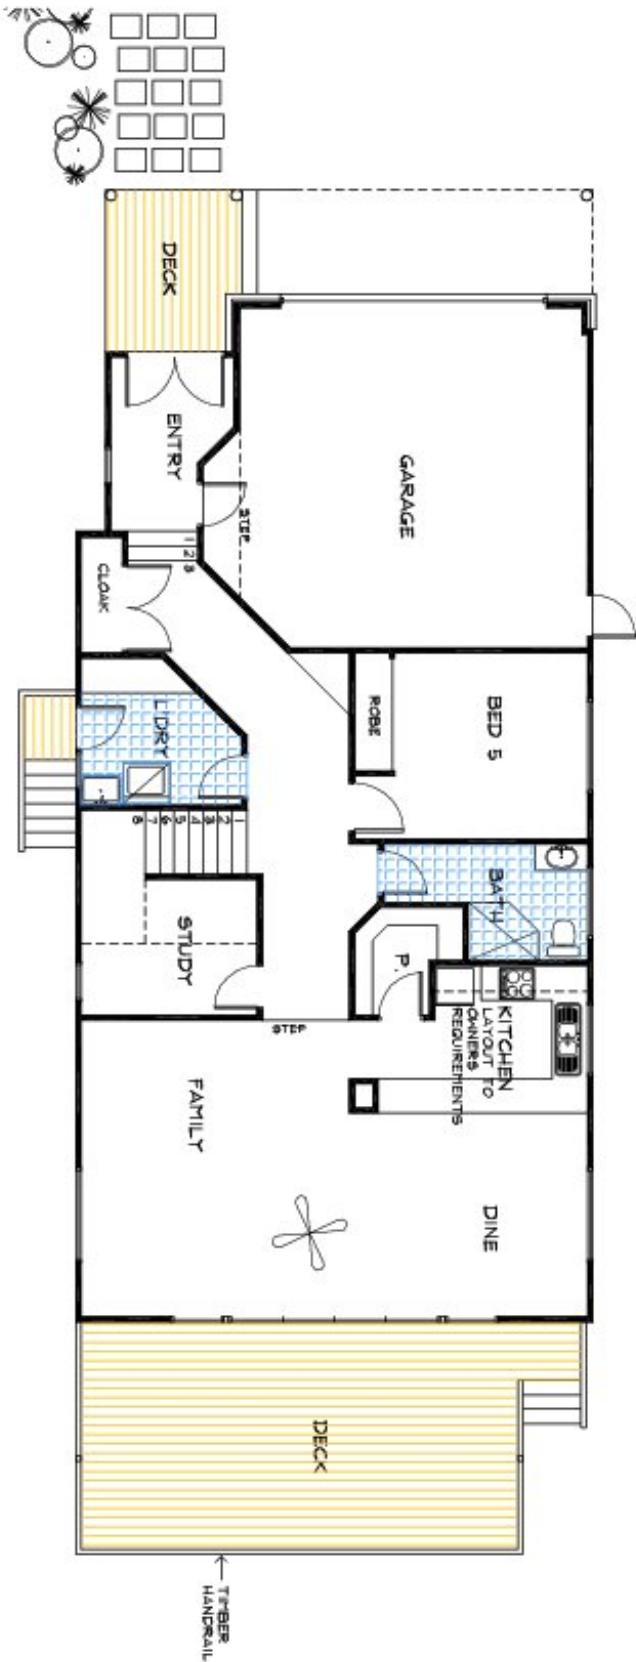

Another unique & innovative Classic Building design.

A surprisingly large coastal home, featuring 5 bedrooms, separate study, two living areas & expansive decks for the entertainer.

This new home incorporates modern architecture with timeless design & appeal. Classic Building has designed a home that is both functional & spacious with every space in the home having been utilized & carefully thought about. What has been created is a home that is relaxed, welcoming & yet striking in its details.

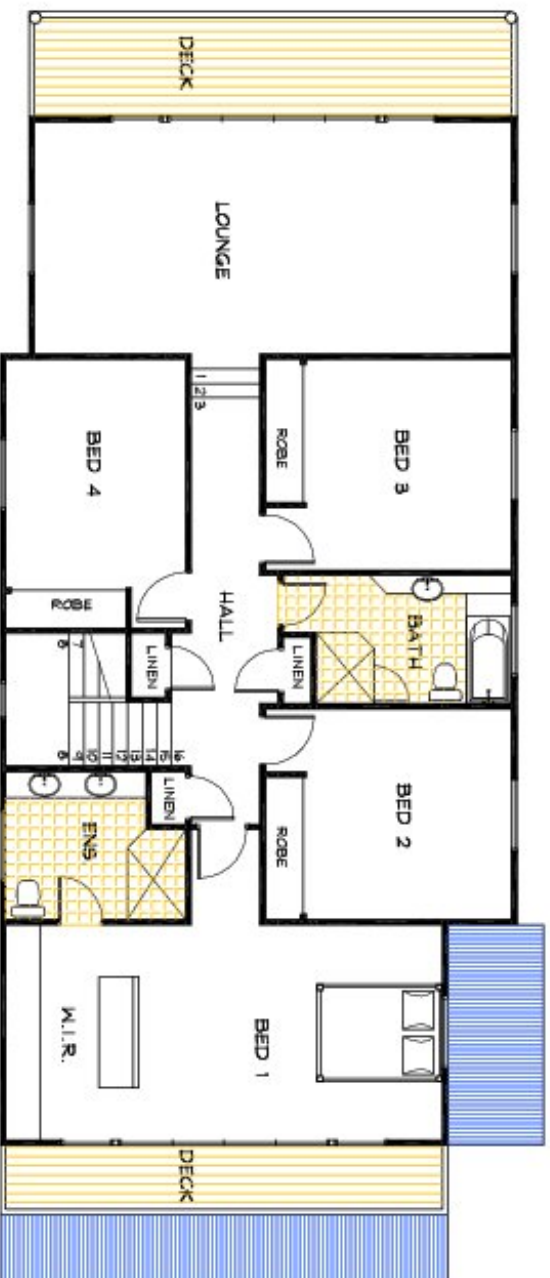

**The floorplans shown demonstrate some of the options available in terms of layout, possible size, possible number of rooms, decks and more. They are a guide, and are meant to provide you with ideas and show you possibilities. Any of the basic designs can be customised to suit any of your requirements.*
