The Seaforth Modified 08

5 Bedroom, 2 Living, 1.5 Bath*

Another custom adaptation of Classic Building's popular Seaforth design.

This custom home was based on our popular Seaforth design. Featuring five bedrooms, guest and study, this design is perfect for entertaining with large open living and dining rooms that open seamlessly onto the rear deck areas.

The conception of this magnificent residence, as with all of Classic's homes, has produced this outstanding home with a classic signature look.

*The floorplans shown demonstrate some of the options available in terms of layout, possible size, possible number of rooms, decks and more.
